Dust sampling kits will be delivered at no charge. Once you have completed sampling, return samples to **UNYSE Labs** in the enclosed pre-paid shipping envelope and a replacement kit will be shipped out to you. **UNYSE Labs** will analyze up to 14 samples from the kit for \$195.00 and report results in no more than 72 hours from time of delivery. Rush shipping and/or analysis arrangements can be made by contacting **UNYSE Labs** *in advance* of shipping. Payment for analysis is required with sample delivery as detailed on the chain of custody

If you are a Certified Renovator through **Environmental Education Associates** (EEA) please send a copy of your certificate along with your order form to [unyselabs@environmentaleducation.com](mailto:unyselabs@environmentaleducation.com) to receive **10%** off your order.

**UNYSE Labs** is accredited by the National Lead Laboratory Approval Program (NLLAP) by the American Industrial Hygiene Association (AIHA). Accreditation #180717.
